

Feedback — Homework - 4

You submitted this quiz on **Fri 14 Dec 2012 8:49 AM PST**. You got a score of **1.00** out of **1.00**.

Question 1

Run your 5\$ strategy with 7.0\$ this time and assume instead of 50,000\$ you had 100,000\$ as starting amount. What total return of the portfolio do you observe ?

Your Answer	Score	Explanation
<input checked="" type="radio"/> 11% - 13%	✓ 1.00	
Total	1.00 / 1.00
